

# MY TRÜTZSCHLER

SERVICE & DIGITAL SOLUTIONS

**TRÜTZSCHLER** SPINNING

# Wherever you are We are there

Take your production to the next level with our innovative digital solutions and unparalleled service. Digitalization is the key.

## In your hands

Background monitoring of your mill on the go, giving you security and allowing you to focus on the things that really matter. All our services are optimized for mobile use and follow a cloud-based approach. Get in touch with our services via My Trützschler: One platform, one sign-on ▶ Access to all services

All features work together to make your everyday easier and more efficient. Try our platform today and experience the convenience of having everything you need in one place.

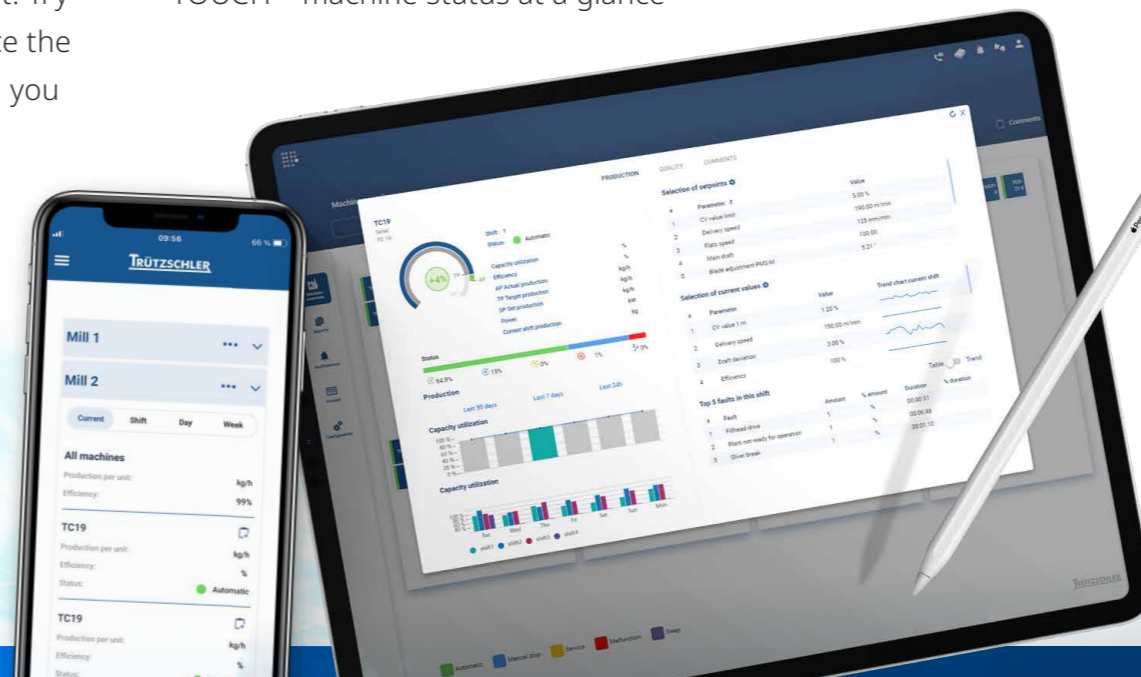

## In your mill

Always informed, any time, any place. Trützschler offers a unique interaction of systems:

- ▶ In the office: My Mill and My Wires with advanced analysis and the new online training platform
- ▶ In the mill: Shop floor visuals for an optimal overview
- ▶ At the machine: T-LED and SMART TOUCH – machine status at a glance

## Around the world

Trützschler service knows no borders. Our competent experts are ready to help you anytime, any place. And not just via phone or mail: We are there for you personally when you need us on site – knowing your processes and the general conditions in your region.

# MY TRÜTZSCHLER
